About This Content

8-bit music lovers will love this pack! Crafted in true retro style, this DLC is a blast from the past, straight out of the 1980s, the golden era of SNES chip -tune generated soundtracks. Featuring synthesizer tones true to the era, melodic and catchy compositions, vintage style percussion, this pack is full of music perfect for music for battles, fields, openings, endings and more!

Features:

- * 24 BGM, 10 SE and 8 ME
- * .OGG and .M4A files included
- * Royalty-free music for use in RPG Maker MV, Visual Novel Maker or the engine of your choice
